

## Student Fees

Fee amounts will be available online for your student's 2016/17 school fees on September 26<sup>th</sup>. Instructions can be found on our website

<http://bertchurch.rockyview.ab.ca/news/2015-16-online-school-fee-payment-instructions> to conveniently pay these fees online. You will

need your student's Power School ID number which can be found on their timetable. Once your login has been set-up, you will be ready to make online payments at the following link:

<https://rockyview.schoolcashonline.com/>. Major credit cards and e-checks are accepted when making on-line payments.

Payments made through School Cash Online are more efficient than processing manual payments because the payment is instantly applied to the selected outstanding fees, the funds are immediately deposited into the school's bank account, and receipts and statements are system generated.

In addition to required course fees, sports fees, field trip fees and optional items will also be made available for purchase online. Lunch Cards, Yearbooks, Gym Strip, Gym Membership and reminders from the system will be automatically generated once a fee has been added.

Fee Invoices will be sent home with your student early October. Please note that payments for the Instructional Fee and Semester One Optional Course fees will be due October 31, 2016. The remaining Semester Two Optional Course fees will be due February 28, 2017. In order to participate in extra-curricular events and programs, school fees must be paid in full or arrangements made. Please contact Ms. Tina Morelli [tmorelli@rockyview.ab.ca](mailto:tmorelli@rockyview.ab.ca) to make payment arrangements or if you have any questions regarding fees. Thank you.
