

# Meet the Teacher

## A Little about.me

Hi. I'm Mr. Bonner, and welcome to the weird, wacky, and wonderful world of (alliterative) English Language Arts. I am excited to be working with your child this term.

This is my second year with Bert Church ELA Department as Learning Lead, and have nearly 20 years of experience teaching. I am also a frequent Diploma Examination Marker and Table Leader, and I am excited to bring my knowledge and experience to the classroom.

I graduated, with much jubilation from my Mother, from the University of Lethbridge. I received a B.A. in English Literature, a B.Ed. (with many group projects), and a specialization in Technology. I thought I would be Computer Programmer when I left High School, but fell into teaching, which has been awesome!
