For Language Arts Part A: Writing Provincial Achievement Tests, teacher supervisors, under the direction of the principal, are expected to uphold PAT security by maintaining a continuous writing time. If it is required, based on individual student needs or that of the entire class, to administer a short, supervised break, the teacher supervisor must receive approval from the principal. All PAT administration rules and policies must be maintained. The amount of time consumed by a break is not included in the total provincial achievement test-taking time.
